

FREE ENERGY AUDIT

**BULBS PLUS, INC
2217 E PLATTE AVE
COLORADO SPRINGS, CO 80909**

PHONE: 719-632-2670

FAX: 719-632-8937

EMAIL: office@bulbsplus.net

If you have not heard yet, Colorado Springs Utilities is offering rebates to retrofit your old fluorescent and HID lighting systems. Bulbs Plus would like to help you take advantage of that offer. We will do a walk thru in your facility and write up a proposal for the best recommendations to convert your facility to the new energy efficient lighting that will include the rebate. You will be amazed what you can save and at the same time receive savings on your utility bill.

If you would like to take advantage of this offer, please fill out the questionnaire below and email or fax to the above contact information. You may also call for any questions you may have or to set up an appointment.

Your Lighting Specialist Since 1975!

Please fill out and email or fax
your response;
